# The Friends

of the Steyning Downland Scheme

The Steyning Downland Scheme is a registered charity, led by local people who volunteer their time to conserve wildlife and to engage the community in a patch of beautiful, restored, chalk downland.

We rely entirely upon voluntary contributions to fund everything we do, from buying tools to running bushcraft days for local schoolchildren.

We set up the Friends scheme to offer a way for those in our community who like what we do and would like to help, especially for those who are unable to offer active, physical support.

Our Friends gain the benefit of discounts on many of our paid events, receive occasional news updates and are invited to special supporters' events, as well as knowing that they are making a difference for local wildlife and people.

Please consider joining us as a Friend. A monthly donation of just £2, when combined with others, really does make a big difference to our work. Just fill out the standing order form overleaf and post it back to us at the address below. We'll do the rest. Thank you so much for your support.
